

Rulebook: Yaadhum Oorae Global Conclave Hackathon

Dear Team,

Thanks for showing interest in “Yaadhum Oorae Global Conclave Hackathon” going to happen from 30th October 2020 (6:00 PM IST) - 31st October 2020 (6:00 PM IST) under the collaborative efforts of **Yaadhum Oore | Government of Tamil Nadu, The Southern India Chamber of Commerce and Industry, Tamil Nadu and IEEE YESIST12.**

For participating into this hackathon, please adhere below rules before registration:

- This hackathon comprises of below two themes:
 - o **Tamil & Technology (30th October 2020, 6:00 PM - 31st October 2020, 6:00 AM IST):** Tamil language is the oldest language in the world, and it is not just a language, it is a way of living. This classical language had a presence over 5000 years ago and it is spoken by more than 90 million people across the world. Tamil is the official language of the Indian state Tamil Nadu. Despite this fact, Tamil is not much used as a language of technology. This track will help you to explore some existing problems to bridge this gap.
 - o **Smart Transportation & Mobility (31st October 2020, 6:00 AM - 6:00 PM IST):** With the motivation of Digitalization of Nation, Tamil Nadu is missing some instances of adopting smart solutions for Public/Private Transportation. This track helps you to work on those real-world problems/gaps.
- Teams Formation Rules:
 - o A Team can consist of minimum 2 Members & maximum 4 Members.
 - o Team members can be of any different Colleges/Universities across the Nation.
- Phases of Hackathon:
 - o **Registration:** Please register yourself at: <http://bit.ly/YOHackathon> with proper details to eliminate any communication gap.
 - o **Preparation/Development:** For 24 Hours during the hackathon, Teams can prepare the idea concept and can start working on their prototype as per their theme selected.
Note: Problem Statements will be given on-spot before starting Development phase onto selected theme in the registration form.
 - o **Submission:** During the development phase, teams are requested to submit their final version at GitHub Repository: <https://github.com/Yaadhum-Oorae-Global-Conclave-Hackathon> (Over which we will create teams after registration phase with adding Team Members as Collaborators).
 - o **Pitching:** After 24 Hours of Development & Submission, pitching with Presentation and live demo will be done in front of jury members and other participants.
