

Rulebook: Yaadhum Oorae Global Conclave Hackathon

Dear Team,

Thanks for showing interest in “Yaadhum Oorae Global Conclave Hackathon” going to happen from 30th October 2020 (6:00 PM IST) - 31st October 2020 (6:00 PM IST) under the collaborative efforts of **Yaadhum Oore | Government of Tamil Nadu, The Southern India Chamber of Commerce and Industry, Tamil Nadu and IEEE YESIST12.**

For participating into this hackathon, please adhere below rules before registration:

- This hackathon comprises of below two themes:
 - **Tamil & Technology (30th October 2020, 6:00 PM - 31st October 2020, 6:00 AM IST):** For the advancement and integration of Technology with Tamil Language, this theme provides two primary objectives i.e. “Tamil in Technology” & “Tamil for Technology”. Under this track, innovative ideas of teams focused on building applications/web portals can be adapted for the sandwiching of Oldest language with latest technology.
 - **Smart Transportation & Mobility (31st October 2020, 6:00 AM - 6:00 PM IST):** With the motivation of Digitalization of Nation, Government of Tamil Nadu is looking for some instances of adopting Smart Public/Private Transportation solutions. This track focuses on working for these real-world problems/gaps.
- Teams Formation Rules:
 - A Team can consist of minimum 2 Members & maximum 4 Members.
 - Team members can be of any different Colleges/Universities across the Nation.
- Phases of Hackathon:
 - **Registration:** Please register yourself at: <http://bit.ly/YOHackathon> with proper details to eliminate any communication gap.
 - **Preparation/Development:** During 12 Hours of the hackathon under each Track, Teams can prepare the idea concept and can start working on their prototype as per their problem statement.
**Note: Problem Statement will be given on-spot before starting Development phase onto the selected theme.*
 - **Submission:** During the development phase, teams are requested to submit their final version at GitHub Repository: <https://github.com/Yaadhum-Oorae-Global-Conclave-Hackathon> (Over which we will create teams after registration phase with adding Team Members as Collaborators).
 - **Pitching:** After 24 Hours of Development & Submission (For both tracks), pitching with Presentation and live demo will be done in front of jury members and other teams.

Regards,
Organizing Committee
IEEE YESIST12-2020
